4. Teaching Learning process is child centric.

ABOUT THE SCHOOL

Gyanajyoti Public School (GPS) Bartoli is a CBSE Curriculum co-educational day school established in 2023 has completed 2 years of service to society. It is managed by the GYANAJYOTI CHARITABLE TRUST, which consist of highly erudite and intellectual members with their vast experience in the field of education. Our motto to foster quality education and create a pedagogical environment for the all-round development of every student.

The school is committed to impart a high quality education to its students and make the school stand as the model school in the state. The school is gifted with devoted and educated teachers, experienced academician and an excellent peaceful greenery atmosphere perfect for encouraging educational surrounding. Since the very beginning its members have been strenuously working round the clock to offer comprehensive and holistic education.

Besides the academic activities, various personality development activities have commenced in the school for spawning innovative thoughts in students mind where we provide personal care to individuals with relevant curriculum having motto of play, learn and grow. Our mission is to crown the school with quality education with the infrastructure of an ideal school.

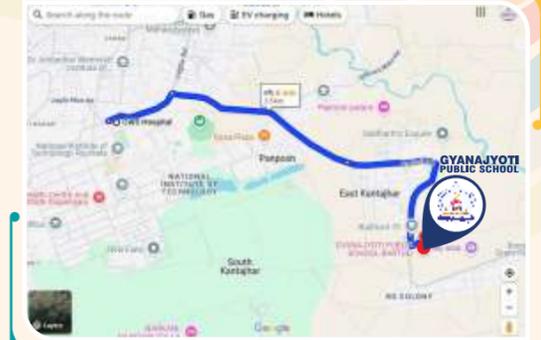

We focus on building a strong foundation of knowledge with excellent academic report with the best academic support. We have provided smart classrooms facilities from Std-I to Std-VI. The teaching-learning process is child centric. We provide indoor and outdoor activities for the children. Yearly free medical checkup is done by specialist doctors.

SITE MAP :

A close look at the map of the ever-expanding Rourkela Steel City reveals that the school is ideally located at Bartoli under Bisra Tehsil, near NIT Backpost, Rourkela. The school is closed to several places e.g Jabapanposh, Jabaghat, Dalposh, Bijadihi, Jamsera, Jhirpani, Jagda, Bondamunda, Bisra, Shaktinagar and Koelnagar etc.

Bartoli is situated at the foot of a hill, quiet and free from disturbance in a lush green environment surrounded by nature to provide infinite peaceful learning benefits to children. Schoolyards have natural play spaces with greenery to help children to improve their physical and mental health, cognitive skills, artistic creativity, and social cohesion. It supports to spread congenial atmosphere for teaching and learning process.

CURRICULAR ACTIVITIES:

The school follows the CBSE curriculum. Strict discipline is enforced to maintain punctuality among the students and staff members of the school. The school aims at equipping the students with the intellectual and practical skills for future challenges. A streamlined educational system is implemented by providing equal importance to all the students and special attention to the slow learners. The school nurtures invigorating and competitive atmosphere boosting student's confidence and critical thinking skills. Education and health are the fundamental rights of a child in our country. Understanding these basic needs of a child, the school imparts physical training to the students and also organizes annual sports-meet every year. An energetic cultural extravaganza stimulates a competitive, cordial and cultural atmosphere with Annual function etc.
